

Popcorn Fundraiser 2007

I know, I know.....Fundraisers can be tedious. But, this is how we support our Pack. Awards, achievement recognition, supplies, Leader registration & training, etc. are items that help us run a quality program. And..... those items cost money! Help us support that cause by going out and selling as much popcorn as you can!

Here at Pack 136, we expect everyone to do their part by being involved with ALL fundraisers. For each fundraiser, we will set an individual goal for each Scout. Each fundraiser goal will be set by the Pack Committee as determined by projected needs.

The Popcorn Fundraiser is a fundraiser that not only supports our Pack but also supports the Frontier District and the Keystone Area Council. Your Scout will be supported by each one of these groups sometime throughout the year. 30% of sales will come back directly to our Pack! The reminder will be used to help support the other groups that provide services, activities, and facilities for our Scouts. That includes Hidden Valley Scout Camp!

Popcorn Fundraiser Goal (required):

Option #1

\$100 in sales or \$40 buy-out

Option #2
